Sport Premium funding – Evidencing the Impact

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

The 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer (CMO) guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
2. the profile of Physical Education, School Sport and Physical Activity is raised across the school as a tool for whole-school improvement;
3. increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. broader experience of a range of sports and activities offered to all pupils;
5. increased participation in competitive sport.

Academic year: 2021-2022		**Total funding:** £17,800			
INTENT	**Key indicator**	**IMPLEMENTATION**	**Funding allocated/ spent**	**IMPACT**	**Sustainability and Next steps**
To improve standards and profile of PE	2,3,4	To provide appropriate, improved and well-conditioned equipment	£2149	Pupils are more active and more physical therefore their confidence, competence and fundamental movement skills have increased. This has enabled pupils in PE to perform to a higher standard andmake more progress. The revised MAT curriculum for PE has been highly successful for raising standards utilising this equipment.	PE continues to develop and have a high profile at St Clement's Continue to follow revised curriculum Increase retrieval activities at start of lessons (from Pupil voice monitoring June 2022)
To improve the delivery of PE and School Sport outdoors.	1,2,3,4	Purchase of Orienteering equipment	£999	Higher quality of outdoor sessions for orienteering. Orienteering has been taught more successfully, leading to greater enjoyment by children and them being introduced to a new activity which can be developed in future years.	Quality resources/ ICT will last for a long time. Subject can further develop in the coming years.

To increase the amount and variety of physical activity across the school	2,4	Purchase outside gym	£8490	Children have become more physically active in their free time.Pupils are more active and more physical therefore their confidence, competence and fundamental movement skills have increased. Children have reported that some time on this equipment helps them to be more calm when they are back in the classroom after playtime/lunchtime.	Equipment should last for a number of years. Next step – to be creative and find other ways to link it in with other areas of the curriculum
To provide a wide range of sporting clubs and mass participation events	1, 2, 4, 5	Qualitycoaching for clubs (Worcester Warriors, Worcestershire Cricket Club)	£4810 £120	Children have become more confident in their ability to lead a healthier lifestyle. (pupil questionnaire) Parent questionnaire responses show that parents are pleased with the range of clubs Fine and Gross motor skills have increased.	Improved profile of sport across the school. Improve school clubs/university links
To increase the percentage of children able to swim 25m at end of KS2	1,2	Extra swimming sessions for children who have not reached this length in Year 5.	£1,232	84% of children are able to meet the swimming goals below. This is an increase on last year.	Continue with same system next year as successful.
